Art Unit: 3679

1. The indicated allowability of claims 1-20 is withdrawn in view of the newly discovered reference(s) cited in the information disclosure statement (IDS) filed March 30, 2006.

Rejections based on the newly cited reference(s) follow.

*Information Disclosure Statement*

2. In the information disclosure statement filed March 30, 2006, applicant states that fee payment is not required for consideration of the IDS because it was filed within three months of an RCE. However, the only way to avoid paying the fee is set forth in 37 CFR 1.97(b). Since none of the conditions in 37 CFR 1.97(b) were met, the fee under 37 CFR 1.17(b) has been charged to deposit account 50-1836 (as authorized in the IDS) so that the IDS could be considered.

*Claim Rejections - 35 USC § 103*

3. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

4. Claims 1-21 are rejected under 35 U.S.C. 103(a) as being unpatentable over DE 101 46 904 in view of DE 199 16 871 and DE 32 40 238. According to applicant's own explanation of relevance (see the foreign office action dated January 17/18, 2006 provided in the IDS filed

Art Unit: 3679

March 30, 2006), the claims are not patentable over DE 101 46 904 in view of DE 199 16 871 and DE 32 40 238.

*Response to Arguments*

5. Applicant's arguments with respect to claim 21 have been considered but are moot in view of the new ground(s) of rejection.
6. Applicant's submission of an information disclosure statement under 37 CFR 1.97(c) with the fee set forth in 37 CFR 1.17(p) on March 30, 2006 prompted the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 609.04(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
